**ITEM 1.01 Entry into a Material Definitive Agreement**

On October 4, 2017, Plains All American Pipeline, L.P. (the "Partnership") entered into an underwriting agreement (the "Underwriting Agreement") with J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley & Co. LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters named therein (the "Underwriters"), relating to the issuance and sale by the Partnership, and purchase by the Underwriters, of 800,000 of the Partnership's 6.125% Series B Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units (the "Series B Preferred Units") at a price to the public of \$1,000 per Series B Preferred Unit (the "Offering").

The Series B Preferred Units are being offered and sold under the Partnership's shelf registration statement on Form S-3 (Registration No. 333-207139), as amended by Post-Effective Amendment No. 1 thereto filed with the Securities and Exchange Commission on October 2, 2017. The Partnership does not intend to apply for the listing of the Series B Preferred Units on any securities exchange.

In connection with the closing of the Offering, PAA GP LLC, the general partner of the Partnership (the "General Partner"), will execute the Seventh Amended and Restated Agreement of Limited Partnership of the Partnership (the "Seventh A&R Partnership Agreement") to, among other things, authorize and establish the rights and preferences of the Series B Preferred Units.

The Series B Preferred Units will rank senior to (i) common units representing limited partner interests in the Partnership and (ii) each other class or series of limited partner interests or other equity securities in the Partnership that may be established after the original issue date of the Series B Preferred

Units (the “Original Issue Date”) and that is not expressly made senior to or *pari passu* with the Series B Preferred Units as to the payment of distributions and amounts payable upon a liquidation event (the “Junior Securities”). The Series B Preferred Units will rank *pari passu* with (i) the Partnership’s outstanding Series A Convertible Preferred Units (the “Series A Preferred Units”) and (ii) each other class or series of limited partner interests or other equity securities in the Partnership that may be established after the Original Issue Date that is not expressly made senior or subordinated to the Series B Preferred Units as to the payment of distributions and amounts payable on a liquidation event (the “Parity Securities”). The Series B Preferred Units will rank junior to (i) all of the Partnership’s existing and future indebtedness and other liabilities with respect to assets available to satisfy claims against the Partnership and (ii) each other class or series of limited partner interests or other equity securities in the Partnership established after the Original Issue Date that is expressly made senior to the Series B Preferred Units as to the payment of distributions and amounts payable upon a liquidation event (the “Senior Securities”).

Distributions on the Series B Preferred Units will accrue and be cumulative from the Original Issue Date and will be payable semi-annually in arrears on the 15th day of May and November through and including November 15, 2022 commencing on November 15, 2017 and after November 15, 2022, quarterly in arrears on the 15th day of February, May, August, and November of each year (each, a “Distribution Payment Date”) to holders of record as of the close of business on the first business day of the month of the applicable Distribution Payment Date, in each case, when, as, and if declared by the General Partner out of legally available funds for such purpose. A pro-rated initial distribution on the Series B Preferred Units will be payable on November 15, 2017 in an amount equal to approximately \$5.9549 per Series B Preferred Unit. If any Distribution Payment Date otherwise would fall on a day that is not a business day, declared distributions will be paid on the immediately succeeding business day without the accumulation of additional distributions.

The initial distribution rate for the Series B Preferred Units from and including the Original Issue Date to, but not including, November 15, 2022 will be 6.125% per annum of the \$1,000.00 liquidation preference per Series B Preferred Unit (equal to \$61.25 per Series B Preferred Unit per annum). On and after November 15, 2022, distributions on the Series B Preferred Units will accumulate for each distribution period at a percentage of the liquidation preference equal to the three-month LIBOR plus a spread of 4.11%.

The Partnership will not declare or pay or set aside for payment full distributions on the Series B Preferred Units or any Parity Securities (including the Series A Preferred Units) for any distribution period unless (i) full cumulative distributions have been paid or provided for on the Series B Preferred Units and any Parity Securities through the most recently completed distribution period for each such security and (ii) at the time of the declaration of distributions on the Series B Preferred Units or the Parity Securities, as applicable, the General Partner expects to have sufficient funds to pay the next distribution on the Series B Preferred Units and any Parity Securities in full

1

---

(regardless of the relative timing of such distributions). To the extent distributions will not be paid in full on the Series B Preferred Units, the General Partner will take appropriate action to ensure that all distributions declared and paid upon the Series B Preferred Units and any Parity Securities will be reduced, declared and paid on a pro rata basis on their respective payment dates.

The Partnership will not declare or pay, or set aside for payment, distributions on any Junior Securities (other than a distribution payable solely in Junior Securities) unless full cumulative distributions have been or contemporaneously are being paid on all outstanding Series B Preferred Units and any Parity Securities (including the Series A Preferred Units) through the most recently completed respective distribution periods. To the extent a distribution period applicable to a class of Junior Securities or Parity Securities is shorter than the distribution period applicable to the Series B Preferred Units (e.g., quarterly rather than semi-annual), the General Partner may declare and pay regular distributions with respect to such Junior Securities or Parity Securities so long as, at the time of declaration of such distribution, the General Partner expects to have sufficient funds to pay the full distribution in respect of the Series B Preferred Units on the next successive Distribution Payment Date.

The Series B Preferred Units will not have a stated maturity and will not be subject to mandatory redemption or any sinking fund. The Series B Preferred Units will remain outstanding indefinitely unless repurchased or redeemed by the Partnership. The Series B Preferred Units may be redeemed by the Partnership at its option (i) following the occurrence of certain ratings agency events, in whole but not in part, at a redemption price in cash of \$1,020.00 per Series B Preferred Unit (102% of the liquidation preference of \$1,000.00) plus an amount equal to all accumulated and unpaid distributions thereon to, but not including, the date of redemption, whether or not declared, or (ii) at any time on or after November 15, 2022, in whole or in part, at a redemption price in cash of \$1,000 per Series B Preferred Unit plus an amount equal to all accumulated and unpaid distributions thereon to, but not including, the date of redemption, whether or not declared. Any such redemption would be effected only out of funds legally available for such purposes and would be subject to compliance with the provisions of the Partnership’s outstanding indebtedness.

Holders of Series B Preferred Units will generally have no voting rights, except for limited voting rights with respect to (i) potential amendments to the Seventh A&R Partnership Agreement that would have a material adverse effect on the existing preferences, rights, powers or duties of the Series B Preferred Units, (ii) the creation or issuance of any Parity Securities if the cumulative distributions payable on then outstanding Series B Preferred Units are in arrears, (iii) the creation or issuance of any Senior Securities and (iv) the payment of distributions to the Partnership’s common unitholders out of capital surplus.

The closing of the Offering is expected to occur on October 10, 2017, subject to customary closing conditions. The Partnership expects to receive net proceeds from the Offering of approximately \$787.8 million (after deducting Underwriters’ discounts and the estimated expenses) and intends to use such net proceeds to repay amounts outstanding under its credit facilities and commercial paper program and for general partnership purposes, which may include, among other things, repayment of indebtedness, acquisitions, capital expenditures and additions to working capital.

The Underwriting Agreement contains customary representations, warranties and agreements by the Partnership, and customary termination provisions, and it provides that the obligations of the Underwriters to purchase the Class B Preferred Units are subject to customary closing conditions. The Underwriting Agreement also includes customary indemnification provisions pursuant to which the Partnership has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

(d) *No Material Misstatements or Omissions in Prospectus.* The Prospectus will not, as of its date and on the Delivery Date, include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that no representation or warranty is made as to information contained in or omitted from the Prospectus in reliance upon and in conformity with written information furnished to the Partnership through the Representatives by or on behalf of any Underwriter specifically for inclusion therein, which information is specified in Section 12.

(h) *Issuer Free Writing Prospectuses Conform to the Requirements of the Securities Act.* Each Issuer Free Writing Prospectus, including the final term sheet prepared and filed pursuant to Section 5(r) (the “**Term Sheet**”), conformed or will conform in all material respects to the requirements of the Securities Act and the Rules and Regulations on the date of first use, and the Partnership has complied with any filing requirements applicable to such Issuer Free Writing Prospectus pursuant to the Rules and Regulations. The Partnership has not made any offer relating to the Units that would constitute an Issuer Free Writing Prospectus without the prior written consent of the Representatives. The Partnership has retained in accordance with the Rules and Regulations all Issuer Free Writing Prospectuses that were not required to be filed pursuant to the Rules and Regulations. The Partnership has taken all actions necessary so that any road show (as defined in Rule 433 of the Rules and Regulations) in connection with the offering of the Units will not be required to be filed pursuant to the Rules and Regulations.

(i) *Well-Known Seasoned Issuer and Not an Ineligible Issuer.* The Partnership is a “well-known seasoned issuer” (as defined in Rule 405 of the Rules and Regulations). At the earliest time after the initial filing of the Registration Statement that the Partnership or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) of the Rules and Regulations) of the Units, the Partnership was not an “ineligible issuer,” as defined in Rule 405 of the Rules and Regulations.

(j) *Formation and Qualification of Certain Entities.* Each of the Partnership, the GP Entities and the Material Subsidiaries has been duly formed and is validly existing in good standing as a limited partnership, limited liability company or unlimited liability company under the laws of its respective jurisdiction of formation with full partnership, limited liability company or unlimited liability company power and authority, as the case may be, to own or lease its properties and to conduct its business, in each case in all material respects. Each of the Partnership, the GP Entities and the Material Subsidiaries is duly registered or qualified as a foreign limited partnership, limited liability company or unlimited liability company, as the case may be, for the transaction of business under the laws of each jurisdiction (as set forth on Exhibit A to this Agreement) in which the character of the business conducted by it or the nature or location of the properties owned or leased by it makes such registration or qualification necessary, except where the failure so to register or qualify would not (i) reasonably be expected to have a material adverse effect upon the condition (financial or other), business, prospects, properties, net worth or results of operations of the Partnership’s direct and indirect majority owned subsidiaries (collectively, the “**Subsidiaries**”) and the Partnership (collectively, the “**Plains Entities**”), taken as a whole (a “**Material Adverse Effect**”), or (ii) subject the limited partners of the Partnership to any material liability or disability.

(k) *General Partners.* Each Plains Entity or GP Entity that serves as a general partner of another Plains Entity or GP Entity has full limited liability company power and authority, as the case may be, to serve as general partner of such Plains Entity or GP Entity, in

each case in all material respects, as disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

(l) *Ownership of Interests in the Partnership, the General Partner, Plains AAP, GP LLC and PAGP.* The respective general partner interests, limited partner interests or membership interests in the Partnership, the General Partner, Plains AAP, GP LLC and PAGP owned by the GP Entities, as such interests are described in the Registration Statement, the Pricing Disclosure Package and the Prospectus, have been duly authorized and validly issued in accordance with their respective agreement or certificate of limited partnership, limited liability company agreement, certificate of formation or other similar organizational documents, as applicable, (in each case as in effect on the date hereof and as the same may be amended or restated on or prior to the Delivery Date) (the “**Organizational Documents**”), and such membership interests and limited partner interests are fully paid (to the extent required under their applicable Organizational Documents) and nonassessable (except as such nonassessability may be affected by Sections 17-303, 17-607 and 17-804 of the Delaware Revised Uniform Limited Partnership Act (the “**Delaware LP Act**”) or Sections 18-607 and 18-804 of the Delaware Limited Liability Company Act (the “**Delaware LLC Act**”), as applicable); and such general partner, limited partner and membership interests held by the GP Entities are owned by the applicable GP Entity free and clear of all liens, encumbrances, security interests, equities, charges or claims (“**Liens**”), except (i) as disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus or (ii) such as would not reasonably be expected to result in a change of control of the Partnership (in the case of any general partner or membership interests held by the GP Entities) or reasonably be expected to materially adversely affect the ability of the Plains Entities considered as a whole to conduct their businesses as currently conducted and as contemplated by the Registration Statement, the Pricing Disclosure Package and the Prospectus to be conducted.

(m) *Ownership of the Material Subsidiaries.* All of the outstanding shares of capital stock or other equity interests of each Material Subsidiary (a) have been duly authorized and validly issued (in accordance with the Organizational Documents of such Material Subsidiary), are fully paid (in the case of an interest in a limited partnership or limited liability company, to the extent required under the Organizational Documents of such Material Subsidiary) and nonassessable (except (i) in the case of an interest in a Delaware limited partnership or Delaware limited liability company, as such nonassessability may be affected by Sections 17-303, 17-607 and 17-804 of the Delaware LP Act or Sections 18-607 and 18-804 of the Delaware LLC Act, as applicable, (ii) in the case of an interest in a limited partnership or limited liability company formed under the laws of another domestic state, as such nonassessability may be affected by similar provisions of such state’s limited partnership or limited liability company statute, as applicable, and (iii) in the case of an interest in an entity formed under the laws of a foreign jurisdiction, as such nonassessability may be affected by similar provisions of such jurisdiction’s unlimited liability company statute or (iv) with respect to the general partner interest of any Material Subsidiary) and (b) are owned, directly or indirectly, by the Partnership, free and clear of all Liens. The Subsidiaries other than the Material Subsidiaries did not, individually or in the aggregate, account for (i) more than 10% of the total assets of the Plains Entities, taken as a whole, as of the most recent fiscal year end or (ii) more than 10% of the net income of the Plains Entities, taken as a whole, for the most recent fiscal year.

(n) *Capitalization.* As of the date hereof, the issued and outstanding limited partner interests of the Partnership consist of 725,189,138 common units representing limited partner interests in the Partnership (the “**Common Units**”) and 68,329,949 Series A Preferred Units representing limited partner interests in the Partnership (“**Series A Preferred Units**”). All outstanding Common Units and Series A Preferred Units and the limited partner interests represented thereby have been duly authorized and validly issued in accordance with the Partnership Agreement and are fully paid (to the extent required under the Partnership Agreement) and nonassessable (except as such nonassessability may be affected by Sections 17-303, 17-607 and 17-804 of the Delaware LP Act). The limited partner interests of the Partnership conform, in all material respects, as to legal matters to the descriptions thereof contained in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

(o) *Duly Authorized and Validly Issued Units.* At the Delivery Date, the Units to be sold by the Partnership and the limited partner interests represented thereby will be duly authorized in accordance with the Amended and Restated Partnership Agreement and, when issued and delivered to the Underwriters against payment therefor in accordance with the terms hereof, will be validly issued, fully paid (to the extent required under the Amended and Restated Partnership Agreement) and nonassessable (except as such nonassessability may be affected by Sections 17-303, 17-607 and 17-804 of the Delaware LP Act).

(p) *No Preemptive or Other Rights.* Except as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus or as provided in the Organizational Documents of the Partnership or that certain Omnibus Agreement, dated as of November 15, 2016, by and among the Partnership, PAGP GP, PAGP, GP LLC, Plains AAP and the General Partner (the “**Omnibus Agreement**”), there are no preemptive rights or other rights to subscribe for or to purchase, nor any restriction upon the voting or transfer of, any interests in the Partnership pursuant to any agreement or other instrument to which the Partnership is a party or by which the Partnership may be bound. Neither the filing of the Registration Statement nor the offering or sale of the Units as contemplated by this Agreement gives rise to any rights for or relating to the registration of any Units or other securities of the Partnership, except such rights as have been waived or satisfied. Except (i) as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus and (ii) for awards issued pursuant to the Partnership’s long-term incentive plans, there are no outstanding rights to purchase any Series B Preferred Units or other equity interests in the Partnership.

(q) *Authority.* The Partnership has all requisite partnership power and authority to issue, sell and deliver the Units, in accordance with and upon the terms and conditions set forth in this Agreement, the Partnership Agreement, the Registration Statement, the Pricing Disclosure Package and the Prospectus. At the Delivery Date, all action required to be taken by the Partnership or its partners for (i) the due and proper authorization, execution and delivery of this Agreement, (ii) the authorization, issuance, sale and delivery of the Units and (iii) the consummation of the other transactions contemplated hereby has been duly and validly taken.

(r) *Authorization, Execution and Delivery of this Agreement.* This Agreement has been duly and validly authorized, executed and delivered by or on behalf of the Partnership.

If at any time the Commission shall issue any stop order suspending the

If during such period of time any event shall occur that in the judgment of the Partnership or in the opinion of counsel for the Underwriters and the Partnership is required to be set forth in the Prospectus (as then amended or supplemented) or should be set forth therein in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary to supplement or amend the Prospectus (or to file under the Exchange Act any document which, upon filing, becomes an Incorporated Document) to comply with the Securities Act or any other law, the Partnership will forthwith prepare and, subject to the provisions of paragraph (e) above, file with the Commission an appropriate supplement or amendment thereto (or to such document), and will expeditiously furnish to the Underwriters and dealers a reasonable number of copies thereof; provided that, if any such event necessitating a supplement or amendment to the Prospectus occurs at any time after nine months after the time of issuance of the Prospectus, such supplement or amendment shall be prepared at the Underwriters' expense. In the event that the Partnership and the Representatives agree that the Prospectus should be amended or supplemented, the Partnership, if requested by the Representatives, will promptly issue a press release announcing or disclosing the matters to be covered by the proposed amendment or supplement unless the Partnership shall have determined, based on the advice of counsel, that the issuance of such press release would not be required by law.

(f) *Blue Sky Laws.* The Partnership will cooperate with the Representatives and with counsel for the Underwriters in connection with the registration or qualification of the Units for offering and sale by the Underwriters and by dealers under the securities or Blue Sky laws of such jurisdictions as the Underwriters may reasonably designate and will file such consents to service of process or other documents reasonably necessary or appropriate in order to effect such registration or qualification; provided that in no event shall any Plains Entity be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Units, in any jurisdiction where it is not now so subject. The Partnership will promptly notify the Representatives of the receipt by the Partnership of any notification with respect to the suspension of the qualification of the Units for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose.

(g) *Reports to Security Holders.* In accordance with Section 11(a) of the Securities Act and Rule 158 of the Rules and Regulations, the Partnership will make generally available to its security holders an earnings statement (which need not be audited) in reasonable detail covering the 12-month period beginning not later than the first day of the month next succeeding the month in which occurred the effective date (within the meaning of Rule 158) of the Registration Statement as soon as practicable after the end of such period.

(i) *Termination Expenses.* If this Agreement shall terminate or shall be terminated after execution pursuant to any provisions hereof (other than pursuant to [Section 9](#) hereof or [Section 10](#) hereof (except pursuant to [Section 10\(a\)](#))) or if this Agreement shall be terminated by the Underwriters because of any failure or refusal on the part of the Partnership to comply with the terms or fulfill any of the conditions of this Agreement, the Partnership agrees to reimburse the Underwriters for all reasonable out-of-pocket expenses (including reasonable fees and expenses of counsel for the Underwriters) incurred by the Underwriters in connection herewith.

(j) *Application of Proceeds.* The Partnership will apply the net proceeds from the sale of the Units in accordance with the description set forth under the caption “Use of Proceeds” in the Pricing Disclosure Package and the Prospectus.

(k) *Filing of Prospectus.* The Partnership will timely file the Prospectus, and any amendment or supplement thereto, pursuant to Rule 424(b) of the Rules and Regulations and will advise the Underwriters of the time and manner of such filing.

Morgan Securities LLC.

(m) *Stabilization.* Except as stated in this Agreement and the Prospectus, none of the GP Entities or the Plains Entities has taken, nor will any of them take, directly or indirectly, any action designed to or that might reasonably be expected to cause or result in

stabilization or manipulation of the price of any security of the Partnership to facilitate the sale or resale of the Units.

(n) *Investment Company.* The Partnership will take such steps as shall be necessary to ensure that none of the Plains Entities or the GP Entities shall become an “investment company” within the meaning of such term under the Investment Company Act, and the rules and regulations of the Commission thereunder.

(o) *Exchange Act Reports.* The Partnership, during the period when the Prospectus is required to be delivered under the Securities Act, will file all documents required to be filed with the Commission pursuant to the Exchange Act within the time periods required by the Exchange Act.

(p) *Free Writing Prospectuses.* The Partnership has complied and will comply with the requirements of Rule 433 of the Rules and Regulations applicable to any Issuer Free Writing Prospectus, including appropriate legending and timely filing with the Commission or retention where required. The Partnership represents that it has satisfied and agrees that it will satisfy the conditions under Rule 433 of the Rules and Regulations to avoid a requirement to file with the Commission any electronic road show. The Partnership agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the most recent Preliminary Prospectus or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Partnership will give prompt notice thereof to the Representatives and, if requested by the Representatives, will prepare and furnish without charge to each Underwriter an Issuer Free Writing Prospectus or other document that will correct such conflict, statement or omission; provided, however, that this representation and warranty shall not apply to any statements or omissions in an Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished in writing to the Partnership by an Underwriter through the Representatives expressly for use therein, which information is specified in Section 12.

(q) *Term Sheet.* The Partnership agrees (i) to prepare a Term Sheet containing a description of the final terms of the Units and their offering, in a form approved by the Representatives and attached as Schedule II hereto, (ii) to file such Term Sheet pursuant to Rule 433 under the Securities Act within the time required by such rule and (iii) not to make any offer relating to the Units that would constitute an Issuer Free Writing Prospectus without the prior written consent of the Representatives. The Partnership acknowledges that the Term Sheet is an Issuer Free Writing Prospectus and will comply with its related obligations set forth in this Agreement. The Partnership agrees to furnish or make available to Underwriters, without charge, as many copies of the Term Sheet as they shall reasonably request.

6. Indemnification and Contribution.

(a) The Partnership agrees to indemnify and hold harmless each Underwriter, the directors, officers, employees and agents of each Underwriter, each affiliate of any Underwriter who has participated in the distribution of the Units as underwriters, each broker-dealer affiliate of any Underwriter and each other affiliate of any Underwriter within the meaning of Rule 405 of the Rules and Regulations, and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages, liabilities and expenses, joint or several (including reasonable costs of investigation), to which they or any of them became subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities or expenses arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus or in any amendment or supplement thereto or in any “road show” (as defined in Rule 433 of the Rules and Regulations) not constituting an Issuer Free Writing Prospectus (a “**Non-Prospectus Road Show**”) or (ii) the omission or alleged omission to state in the Registration Statement, any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus or in any amendment or supplement thereto or in any Non-Prospectus Road Show, any material fact required to be stated therein or necessary to make the statements therein (in the case of any Preliminary Prospectus or the Prospectus, in the light of the circumstances under which any such statements were made) not misleading, and shall reimburse each Underwriter and each such director, officer, employee or controlling person promptly upon demand for any legal or other expenses reasonably incurred by that Underwriter, director, officer, employee or

controlling person in connection with investigating or defending or preparing to defend against any such loss, claim, damage, liability or action as such expenses are incurred; provided, however, that the Partnership shall not be liable in any such case to the extent that any such loss, claim, damage, liability or action arises out of, or is based upon, any untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus or in any such amendment or supplement thereto or in any Non-Prospectus Road Show, in reliance upon and in conformity with written information concerning such Underwriter furnished to the Partnership through the Representatives by or on behalf of any Underwriter specifically for inclusion therein, which information consists solely of the information specified in Section 12. The foregoing indemnity agreement is in addition to any liability that the Partnership may otherwise have to any Underwriter or to any director, officer, employee or controlling person of that Underwriter.

(b) If any action, suit or proceeding shall be brought against any Underwriter, any director, officer, employee or agent of any Underwriter or any person controlling any Underwriter in respect of which indemnity may be sought against the Partnership, such Underwriter or such director, officer, employee, agent or controlling person shall promptly notify the Partnership in writing, and the Partnership shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such indemnified party and payment of all reasonable fees and expenses. The failure to notify the indemnifying party shall not relieve it from liability that it may have to an indemnified party unless the indemnifying party is foreclosed by reason of such delay from asserting a defense otherwise available to it. Such Underwriter or any such director, officer, employee, agent or controlling person shall have the

19

right to employ separate counsel in any such action, suit or proceeding and to participate in (but not control) the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Underwriter or such director, officer, employee, agent or controlling person unless (i) the Partnership has agreed in writing to pay such fees and expenses, (ii) the Partnership has failed to assume the defense and employ counsel within a reasonable period of time in light of the circumstances or (iii) such indemnified party or parties shall have reasonably concluded, based on the advice of counsel, that there may be defenses available to it or them that are different from, additional to or in conflict with those available to the Partnership (in which case the Partnership shall not have the right to direct the defense of such action, suit or proceeding on behalf of the indemnified party or parties), in any of which events the Partnership shall pay the reasonable fees and expenses of such counsel as such fees and expenses are incurred (it being understood, however, that the Partnership shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel) in any one action, suit or proceeding or series of related actions, suits or proceedings in the same jurisdiction representing the indemnified parties who are parties to such action, suit or proceeding).

(c) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Partnership, PAGP GP's directors and officers who sign the Registration Statement, and any person who controls the Partnership within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Partnership to each Underwriter, but only with respect to information furnished in writing by or on behalf of such Underwriter through the Representatives expressly for use in the Registration Statement, any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus or in any amendment or supplement thereto or in any Non-Prospectus Road Show, which information is limited to the information set forth in Section 12. If any action, suit or proceeding shall be brought against the Partnership, any of such directors and officers or any such controlling person based on the Registration Statement, any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus or in any amendment or supplement thereto or in any Non-Prospectus Road Show, and in respect of which indemnity may be sought against any Underwriter pursuant to this paragraph (c), such Underwriter shall have the rights and duties given to the Partnership by paragraph (b) above (except that if the Partnership shall have assumed the defense thereof such Underwriter shall not be required to do so, but may employ separate counsel therein and participate in (but not control) the defense thereof, but the fees and expenses of such counsel shall be at such Underwriter's expense), and the Partnership, any of such directors and officers and any such controlling person shall have the rights and duties given to the Underwriters by paragraph (b) above. The foregoing indemnity agreement shall be in addition to any liability that the Underwriters may otherwise have.

(d) If the indemnification provided for in this Section 6 is unavailable to an indemnified party under paragraph (a) or (c) hereof in respect of any losses, claims, damages, liabilities or expenses referred to therein, then an indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (i) in such proportion as is appropriate to reflect the relative benefits received by the Partnership on the one hand and the Underwriters on the other hand from the offering of the Units, or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the

20

---

Partnership on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Partnership on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Partnership bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault of the Partnership on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Partnership or any affiliate of the Partnership on the one hand, or by the Underwriters on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Partnership and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 6 were determined by a pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities and expenses referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating any claim or defending any such action, suit or proceeding. Notwithstanding the provisions of this Section 6, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price of the Units underwritten by it and distributed to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute as provided in this Section 6 are several and not joint.

(f) No indemnifying party shall (i) without the prior written consent of the indemnified parties (which consent shall not be unreasonably withheld), settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any findings of fact or admissions of fault or culpability as to the indemnified party, or (ii) be liable for any settlement of any such action effected without its written consent (which consent shall not be unreasonably withheld), but if settled with the consent of the indemnifying party or if there be a final judgment for the plaintiff in any such action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment.

(g) Any losses, claims, damages, liabilities or expenses for which an indemnified party is entitled to indemnification or contribution under this Section 6 shall be

21

---

paid by the indemnifying party to the indemnified party as such losses, claims, damages, liabilities or expenses are incurred. The indemnity and contribution agreements contained in this Section 6 and the covenants, representations and warranties of the Partnership set forth in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of any Underwriter or any person controlling any Underwriter, the Partnership, GP LLC, PAGP GP or any of their respective directors or officers, as applicable, or any person controlling the Partnership, (ii) acceptance of any Units and payment therefor in accordance with the terms of this Agreement, and (iii) any termination of this Agreement. A successor to any Underwriter or any person controlling any Underwriter, or to the Partnership, GP LLC, PAGP GP or any of their respective directors or officers, or any person controlling the Partnership shall be entitled to the benefits of the indemnity, contribution and reimbursement agreements contained in this Section 6.

7. Conditions to the Obligations of the Underwriters. The several obligations of the Underwriters to purchase the Units hereunder are subject to the following conditions:

(a) All filings required by Rule 424 and Rule 430B of the Rules and Regulations shall have been made. All material required to be filed by the Partnership pursuant to Rule 433(d) of the Rules and Regulations shall have been filed with the Commission within the applicable time period prescribed for such filing by Rule 433 of the Rules and Regulations. No stop order (i) suspending the effectiveness of the Registration Statement or (ii) suspending or preventing the use of the most recent Preliminary Prospectus, the Prospectus or any Issuer Free Writing Prospectus shall have been issued and no proceeding for that purpose shall have been instituted or, to the knowledge of the Partnership or any Underwriter, threatened by the Commission, and any request of the Commission for additional information (to be included in the Registration Statement or the Prospectus or otherwise) shall have been complied with to the reasonable satisfaction of the Representatives.

(b) Subsequent to the Applicable Time, there shall not have occurred (i) any change, or any development involving a prospective change that would reasonably be expected to have a Material Adverse Effect, not contemplated by the Prospectus, which in the Representatives' opinion, would materially adversely affect the market for the Units, or (ii) any event or development relating to or involving any of the Plains Entities or any executive officer or director of any of such entities that makes any statement made in the Prospectus untrue or which, in the opinion of the Partnership and its counsel or the Underwriters and their counsel, requires the making of any addition to or change in the Prospectus in order to state a material fact required by the Securities Act or any other law to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, if amending or supplementing the Prospectus to reflect such event or development would, in the Representatives' opinion, materially adversely affect the market for the Units.

(c) The Representatives shall have received on the Delivery Date, an opinion of Vinson & Elkins L.L.P., counsel for the Partnership, dated the Delivery Date and addressed to the Underwriters, to the effect that:

(vii) Except as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus or as provided in the Organizational Documents of the Partnership or the Omnibus Agreement, there are no preemptive rights or other rights to subscribe for or to purchase, nor any restriction upon the voting or transfer of, any interests in the Partnership pursuant to the Delaware LP Act, the Delaware LLC Act or any instrument known to us to which the Partnership or by which the Partnership may be bound. Neither the filing of the Registration Statement nor the offering or sale of the Units as contemplated by this Agreement gives rise to any rights for or relating to the registration of any Units or other securities of the Partnership pursuant to any of the documents or agreements included as exhibits to any of the Incorporated Documents, except such rights as have been waived or satisfied.

(viii) The Partnership has all requisite power and authority to issue, sell and deliver the Units, in accordance with and upon the terms and conditions set forth in this Agreement, the Amended and Restated Partnership Agreement and the Registration Statement, the Pricing Disclosure Package and the Prospectus.

(ix) This Agreement has been duly authorized and validly executed and delivered by the Partnership.

(x) At or before the Delivery Date, the partnership agreement or limited liability company agreement, as applicable, of each of the Partnership, the Domestic Subsidiaries and the GP Entities has been duly authorized, executed and delivered by the parties thereto and is a valid and legally binding agreement of such parties thereto, enforceable against the parties thereto in accordance with their respective terms; provided, that, with respect to each such agreement, the enforceability thereof may be limited by (A) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws from time to time in effect affecting creditors' rights and remedies generally and by general principles of equity (regardless of whether such principles are considered in a proceeding in equity or at law) and (B) public policy, applicable law relating to fiduciary duties and indemnification and an implied covenant of good faith and fair dealing.

(xi) None of (A) the offering, issuance and sale by the Partnership of the Units, (B) the execution, delivery and performance of this Agreement by the Partnership, (C) the consummation of the transactions contemplated by this Agreement or (D) the execution, delivery and performance of the Amended and Restated Partnership Agreement (1) constitutes or will constitute a violation of the Organizational Documents of the Partnership or any of the Domestic Subsidiaries or the GP Entities, (2) conflicts or will conflict with or constitutes or will constitute a breach or violation of, a change of control or a default under (or an event that, with notice or lapse of time or both, would constitute such an event) any document or agreement filed as an exhibit to the Registration Statement or any Incorporated Document, (3) results or will result in any violation of the Delaware LP Act, the Delaware LLC Act, the laws of the State of Texas or federal law, or (4) results or will result in the creation or imposition of any Lien upon any property or assets of any of the Partnership, the Domestic Subsidiaries or the GP Entities, which conflicts, breaches, violations or defaults in the case of clauses (2), (3) or (4) would reasonably be expected to have a Material Adverse Effect or materially impair the ability of the Partnership to consummate the transactions contemplated by this Agreement, it being understood that such counsel need not express an opinion in clause (3) of this paragraph (xi) with respect to any securities or other anti-fraud law.

(xii) No consent, approval, authorization, filing with or order of any federal, Delaware or Texas court, governmental agency or body having jurisdiction over the Partnership, the GP Entities, the Domestic Subsidiaries or any of their respective properties is required in connection with (A) the offering, issuance and sale by the Partnership of the Units, (B) the execution, delivery and performance of this Agreement by the Partnership, (C) the consummation of the transactions contemplated by this Agreement or (D) the execution, delivery and

(xiii) The statements in the Registration Statement, the Pricing Disclosure Package and the Prospectus under the captions “Description of Series B Preferred Units,” “Description of Our Preferred Units,” “Cash Distribution Policy” and “Description of Our Partnership Agreement,” insofar as such statements purport to summarize certain provisions of documents and legal matters referred to therein, fairly summarize such provisions and legal matters in all material respects, subject to the qualifications and assumptions stated therein; and the Units conform in all material respects to the descriptions thereof contained in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

(xiv) The opinion of Vinson & Elkins L.L.P. to be filed as Exhibit 8.1 to the Partnership’s Form 8-K with the Commission in connection with the offering and sale of the Units is confirmed and the Underwriters may rely upon such opinion as if it were addressed to them.

(xv) The Registration Statement became effective under the Securities Act upon its filing on September 25, 2015 and Post-Effective Amendment No. 1 thereto became effective under the Securities Act upon its filing on October 2, 2017; to the knowledge of such counsel, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or threatened by the Commission; and any required filing of the Prospectus pursuant to Rule 424(b) of the Rules and Regulations or the free writing prospectus pursuant to Rule 433 of the Rules and Regulations has been made in the manner and within the time period required by such Rule.

(xvi) The Registration Statement, the Pricing Disclosure Package and the Prospectus (except for the financial statements and the notes and the schedules thereto and the other financial information included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package or the Prospectus, as to which such counsel need not express an opinion) each appeared on its face to be appropriately responsive in all material respects to the applicable form requirements of the Securities Act and the Exchange Act and the rules and regulations promulgated thereunder.

(xvii) The Partnership is not now, and after giving effect to the offering and sale of the Units and the application of the net proceeds therefrom as described in the Pricing Disclosure Package and the Prospectus under the caption “Use of Proceeds,” will not be, an “investment company” as such term is defined

in the Investment Company Act and the rules and regulations of the Commission thereunder.

In addition, such counsel shall state that they have participated in conferences with officers and other representatives of GP LLC, PAGP GP and the Partnership, representatives of the independent public accountants of GP LLC, PAGP GP and the Partnership and the Underwriters’ representatives and counsel, at which the contents of the Registration Statement, the Pricing Disclosure Package and the Prospectus and related matters were discussed, and although such counsel has not independently verified, is not passing on, and is not assuming any responsibility for the accuracy, completeness or fairness of the statements contained in, the Registration Statement, the Pricing Disclosure Package and the Prospectus (except to the extent specified in opinion (xiii) above), on the basis of the foregoing, no facts have come to the attention of such counsel that lead them to believe that:

- (A) the Registration Statement, as of the most recent Effective Date, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading;
- (B) the Pricing Disclosure Package, as of the Applicable Time, included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; or
- (C) the Prospectus, as of its date and as of the Delivery Date, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading,

it being understood that such counsel need not express any statement or belief with respect to (i) the financial statements and related schedules, including the notes and schedules thereto and the auditor’s report thereon, included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus or (ii) any other financial information included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

(d) The Representatives shall have received on the Delivery Date an opinion of the general counsel for GP LLC, dated the Delivery Date and addressed to the Underwriters, to the effect that:

(i) None of the offering, issuance and sale by the Partnership of the Units, the execution, delivery and performance by the Partnership of this Agreement, the consummation of the transactions contemplated by this Agreement or the execution, delivery and performance of the Amended and Restated Partnership Agreement (A) constitutes or will constitute a breach or violation of, a change of control or a default (or an event which, with notice or lapse of time or both, would constitute such an event) under any bond, debenture, note or any other evidence of indebtedness, indenture or any other material agreement or instrument known to such counsel to which the Partnership, the GP Entities or the Material Subsidiaries is a party or by which any one of them may be bound (excluding, for this purpose, (i) any document or agreement filed as an exhibit to the Registration Statement or an Incorporated Document, (ii) the Hedged Inventory Facility, (iii) the Credit Agreement dated as of August 19, 2011, as amended, by and among the Partnership, certain subsidiaries of the Partnership from time to time party thereto and Bank of America, N.A., as administrative agent, and the other lenders party thereto (the "PAA Facility") and (iv) the 364-Day Credit Agreement dated January 16, 2015 (the "364-Day Facility"), by and among the Partnership, Bank of America, N.A., as administrative agent, and the lenders party thereto) or (B) violates or will violate any statute, law or regulation or any order, judgment, decree or injunction known to such counsel of any court or governmental agency or body directed to the Partnership, the GP Entities or the Material Subsidiaries or any of their respective properties in a proceeding to which any of them is a party, which would, in the case of either clause (A) or clause (B), reasonably be expected to have a Material

Adverse Effect or materially impair the ability of the Partnership to consummate the transactions contemplated by this Agreement.

(ii) To the knowledge of such counsel, there is no legal or governmental proceeding pending or threatened to which the Partnership or any of the Subsidiaries is a party or to which any of their respective properties is subject that is required to be disclosed in the Pricing Disclosure Package or the Prospectus and is not so disclosed.

In addition, such counsel shall state that he has participated in conferences with officers and other representatives of GP LLC, PAGP GP and the Partnership, representatives of the independent public accountants of GP LLC, PAGP GP and the Partnership and the Underwriters' representatives and counsel, at which the contents of the Registration Statement, the Pricing Disclosure Package and the Prospectus and related matters were discussed, and although such counsel has not independently verified, is not passing on, and is not assuming any responsibility for the accuracy, completeness or fairness of the statements contained in, the Registration Statement, the Pricing Disclosure Package and the Prospectus, on the basis of the foregoing, no facts have come to the attention of such counsel that lead him to believe that:

(C) the Prospectus, as of its date and as of the Delivery Date, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements

therein, in the light of the circumstances under which they were made, not misleading,

it being understood that such counsel need not express any statement or belief with respect to (i) the financial statements and related schedules, including the notes and schedules thereto and the auditor's report thereon, included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus or (ii) any other financial or statistical information included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

In rendering such opinion, such counsel may rely in respect of matters of fact upon (i) information obtained from public officials or public records and (ii) to the extent such counsel deems appropriate, certificates of officers and employees of GP LLC, PAGP GP and the Partnership. Further, such counsel may (A) assume that all documents submitted to him as originals are authentic, that all copies submitted to him conform to the originals thereof, and that the signatures on all documents examined by him are genuine, (B) state that such opinions are limited to federal laws and the Delaware LP Act, the Delaware LLC Act, the DGCL and the laws of the State of Texas and (C) state that he expresses no opinion with respect to (x) either federal or state securities laws in the opinion referenced in Section 7(d)(i)(B) above or (y) foreign, state or local taxes or tax statutes.

(iii) No permit, consent, approval, authorization, order, registration, filing or qualification of or with any court, governmental agency or body of the federal government of Canada or the Province of British Columbia is required for the offering, issuance and sale by the Partnership of the Units.

(iv) None of the offering, issuance and sale by the Partnership of the Units, the execution, delivery and performance of this Agreement by the Partnership, the consummation of the transactions contemplated hereby or the execution, delivery and performance of the Amended and Restated Partnership Agreement constitutes or will constitute a violation of the certificate or Articles of Amalgamation, bylaws or other organizational documents of Plains Midstream Canada, or any statute, law or regulation of Canada or the Province of British Columbia or, to the knowledge of such counsel, any order, judgment, decree or injunction of any court or governmental agency or body of Canada or the Province of British Columbia directed to Plains Midstream Canada or its properties in a proceeding to which Plains Midstream Canada or its property is a party.

(v) To the knowledge of such counsel, Plains Midstream Canada has such Permits issued by the appropriate federal, provincial or regulatory authorities as are necessary to own or lease its properties and to conduct its business as currently conducted and as proposed in the Registration Statement, the Pricing Disclosure Package and the Prospectus to be conducted, subject to such qualifications as may be set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus, and except for such Permits which, if not obtained would not reasonably be expected to, individually or in the aggregate, materially adversely affect the operations conducted by Plains Midstream Canada.

In rendering such opinion, such counsel may (A) rely in respect of matters of fact upon certificates of officers and employees of GP LLC, PAGP GP and the Partnership, to the extent they deem proper, and upon information obtained from public officials or public records, (B) assume that all documents submitted to them as originals are authentic, that all copies submitted to them conform to the originals thereof, and that the signatures on all documents examined by them are genuine, (C) state that such opinions are limited to federal laws of Canada and the laws of the Province of British Columbia, excepting therefrom municipal and local ordinances and regulations and (D) state that they express no opinion with respect to state or local taxes or tax statutes to which any of the limited partners of the Partnership or the Plains Entities may be subject.

In rendering such opinion, such counsel shall state that (A) Vinson & Elkins L.L.P. is thereby authorized to rely upon such opinion letter in connection with the transactions contemplated by this Agreement as if such opinion letter were addressed and delivered to them on the date thereof and (B) subject to the foregoing, such opinion letter may be relied upon only by the Underwriters and their counsel in connection with the transactions contemplated by this Agreement

31

---

and no other use or distribution of such opinion letter may be made without such counsel's prior written consent.

(f) The Representatives shall have received on the Delivery Date an opinion of Baker Botts L.L.P., counsel for the Underwriters, dated the Delivery Date and addressed to the Underwriters, with respect to the offering, issuance and sale of the Units, the Registration Statement, the Pricing Disclosure Package, the Prospectus (together with any amendment or supplement thereto) and other related matters the Underwriters may reasonably require.

(g) At the time of the execution of this Agreement, the Representatives shall have received from PricewaterhouseCoopers LLP, independent public accountants, a letter dated such date, in form and substance satisfactory to the Representatives, together with signed or reproduced copies of such letter for each of the other Underwriters, containing statements and information of the type ordinarily included in accountants' "comfort letter" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement, the Pricing Disclosure Package and the Prospectus; provided that the cut-off date for the procedures performed by such accountants and described in such letter shall be a date not more than three days prior to the date of such letter.

(h) On the Delivery Date, the Representatives shall have received from PricewaterhouseCoopers LLP a letter, dated as of the Delivery Date, to the effect that it reaffirms the statements made in the letter furnished pursuant to paragraph (g) of this Section 7, except that the date referred to in the proviso in Section 7(g) hereof shall be a date not more than three business days prior to the Delivery Date.

(i) The Partnership shall have furnished to the Representatives on the Delivery Date a certificate of the Partnership, signed on behalf of the Partnership by the President or any Vice President and the Chief Financial Officer of GP LLC, dated the Delivery Date, to the effect that the signers of such certificate have examined the Registration Statement, the Pricing Disclosure Package, the Prospectus and any amendment or supplement thereto, and this Agreement and that:

(i) the representations and warranties of the Partnership in this Agreement are true and correct on and as of the Delivery Date with the same effect as if made on the Delivery Date (except to the extent such representation or warranty is made as of a specific date or time, in which case, such representation or warranty was true and correct as of such specific date or time) and the Partnership has complied in all material respects with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Delivery Date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose have been instituted or, to the Partnership's knowledge, threatened; and

32

---

(iii) (A) the Registration Statement, as of the Effective Date, (B) the Prospectus, as of its date and on the Delivery Date, and (C) the Pricing Disclosure Package, as of the Applicable Time, did not and do not contain any untrue statement of a material fact and did not and do not omit to state a material fact required to be stated therein or necessary to make the statement therein (except in the case of the Registration Statement, in the light of the circumstances under which they were made) not misleading.

(j) On the Closing Date, the General Partner shall have executed the Amended and Restated Partnership Agreement.

(k) At the time of the execution of this Agreement, the Representatives shall have received from the Partnership a certificate substantially in the form of Exhibit B hereto and signed by the Chief Financial Officer of the General Partner.

(l) At the Delivery Date, the Units shall be rated at least "Ba3" by Moody's Investors Service, Inc. ("**Moody's**"), "BB" by S&P Global Ratings, a division of S&P Global, Inc. ("**S&P**"), and "BB" by Fitch Ratings, Inc. ("**Fitch**"), and the Partnership shall have delivered to the Underwriters a letter dated near the Delivery Date, from each such rating agency, or other evidence satisfactory to the Underwriters, confirming that the Units have such ratings; and since the date of this Agreement, there shall not have occurred a downgrading in the ratings assigned to (i) the Units below "Ba3" by Moody's, "BB" by S&P and "BB" by Fitch or (ii) the Partnership's debt securities by any "nationally recognized statistical rating agency," as that term is defined in Section 3(a)(62) under the Exchange Act, and no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its ratings of the Units or the Partnership's debt securities.

All such opinions, certificates, letters and other documents referred to in this Section 7 will be in compliance with the provisions hereof only if they are reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters. The Partnership shall furnish to the Underwriters conformed copies of such opinions, certificates, letters and other documents in such number as they shall reasonably request.

If any of the conditions specified in this Section 7 shall not have been fulfilled in all material respects when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be in all material respects reasonably satisfactory in form and substance to the Underwriters and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be cancelled at, or at any time prior to, the Delivery Date by the Underwriters. Notice of such cancellation shall be given to the Partnership in writing or by telephone or facsimile confirmed in writing.

8. Expenses. The Partnership agrees to pay the following costs and expenses and all other costs and expenses incident to the performance by it of its obligations hereunder: (a) the preparation, printing or reproduction, and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus and each amendment or supplement to any of

33

---

them; (b) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, any Preliminary Prospectus, any Issuer Free Writing Prospectus, the Prospectus, the Incorporated Documents and all amendments or supplements to any of them as may be reasonably requested for use in connection with the offering and sale of the Units; (c) the preparation, printing, authentication, issuance and delivery of certificates for the Units, including any stamp taxes in connection with the original issuance and sale of the Units; (d) the printing (or reproduction) and delivery of this Agreement, the preliminary and supplemental Blue Sky Memoranda, and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Units; (e) the registration of the Units under the Exchange Act; (f) the registration or qualification of the Units for offer and sale under the securities or Blue Sky laws of the several states as provided in Section 5(f) hereof (including the reasonable fees, expenses and disbursements of counsel for the Underwriters relating to the preparation, printing or reproduction, and delivery of the preliminary and supplemental Blue Sky Memoranda and such registration and qualification); (g) any filing fees in connection with any filings required to be made with FINRA; (viii) the transportation and other expenses incurred by or on behalf of officers and employees of GP LLC, PAGP GP or the

Partnership in connection with presentations to prospective purchasers of the Units; and (ix) the fees and expenses of the Partnership's accountants and the fees and expenses of counsel (including local and special counsel) for the Partnership.

It is understood, however, that except as otherwise provided in this Section 8 or Section 5(i) hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on any resale of the Units by any Underwriter, any advertising expenses connected with any offers they may make and the transportation and other expenses incurred by the Underwriters on their own behalf in connection with presentations to prospective purchasers of the Units.

9. Default by an Underwriter. If any one or more of the Underwriters shall fail or refuse to purchase Units that it or they are obligated to purchase hereunder on the Delivery Date, and the aggregate number of Units that such defaulting Underwriter or Underwriters are obligated but fail or refuse to purchase is not more than one-tenth of the aggregate number of the Units that the Underwriters are obligated to purchase on the Delivery Date, each non-defaulting Underwriter shall be obligated, severally, in the proportion that the number of Units set forth opposite its name in Schedule I hereto bears to the aggregate number of Units set forth opposite the names of all non-defaulting Underwriters or in such other proportion as the Representatives may specify in accordance with the Agreement Among Underwriters of J.P. Morgan Securities LLC to purchase the Units that such defaulting Underwriter or Underwriters are obligated, but fail or refuse, to purchase. If any one or more of the Underwriters shall fail or refuse to purchase Units that it or they are obligated to purchase on the Delivery Date and the aggregate number of Units with respect to which such default occurs is more than one-tenth of the aggregate number of Units that the Underwriters are obligated to purchase on the Delivery Date and arrangements satisfactory to the Representatives and the Partnership for the purchase of such Units by one or more non-defaulting Underwriters or other party or parties approved by the Representatives and the Partnership are not made within five business days after such default, this Agreement will terminate without liability on the part of any party hereto (other than the defaulting Underwriter). In any such case that does not result in termination of this Agreement, either the Representatives

34

or the Partnership shall have the right to postpone the Delivery Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement and the Prospectus or any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any such default of any such Underwriter under this Agreement. The term "Underwriter" as used in this Agreement includes, for all purposes of this Agreement, any party not listed in Schedule I hereto who, with the Representatives' approval and the approval of the Partnership, purchases Units that a defaulting Underwriter is obligated, but fails or refuses, to purchase.

Any notice under this Section 9 may be given by telegram, teletype or telephone but shall be subsequently confirmed by letter.

10. Termination of Agreement. This Agreement shall be subject to termination in the Representatives' absolute discretion, without liability on the part of any Underwriter to the Partnership, by notice to the Partnership, if prior to the Delivery Date (a) trading in the Common Units shall have been suspended by the Commission or the NYSE; (b) trading in securities generally on the New York Stock Exchange, the NYSE MKT LLC or the Nasdaq National Market shall have been suspended or limited or minimum prices shall have been established; (c) a banking moratorium shall have been declared either by federal or New York or Texas state authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States shall have occurred; or (d) there shall have occurred any outbreak or escalation of hostilities or acts of terrorism, declaration by the United States of a national emergency or war, or other calamity or crisis or any change in financial, political or economic conditions in the United States or elsewhere, the effect of which on financial markets is such as to make it, in the sole judgment of the Underwriters, impractical or inadvisable to proceed with the offering or delivery of the Units as contemplated by the Prospectus (exclusive of any amendment or supplement thereto). Notice of such termination may be given to the Partnership by telegram, teletype or telephone and shall be subsequently confirmed by letter.

11. Notice; Successors. Except as otherwise provided in Sections 5, 9 and 10 hereof, all communications hereunder will be in writing and effective only on receipt, and, if sent to the Underwriters, will be mailed, delivered or telefaxed to the Representatives c/o J.P. This Agreement has been and is made solely for the benefit of the several Underwriters and their directors, officers, employees, agents and other controlling persons referred to in Section 6 hereof and the Partnership and PAGP GP's directors and officers who sign the Registration Statement, and other controlling persons referred to in Section 6 hereof, and

35

their respective successors and assigns, to the extent provided herein, and no other person shall acquire or have any right under or by virtue of this Agreement. Neither the term "successor" nor the term "successors and assigns" as used in this Agreement shall include a purchaser from any Underwriter of any of the Units in his status as such purchaser.

12. Information Furnished by the Underwriters. The Partnership acknowledges that the following statements set forth in the most recent Preliminary Prospectus and the Prospectus constitute the only information furnished by or on behalf of the Underwriters through the Representatives as such information is referred to in Sections 1(c), 1(d), 1(f), 1(g), 5(q), 6(a) and 6(c) hereof: (a) the names of the Underwriters, (b) the table under the first paragraph under the heading "Underwriting" and (c) the third, ninth, tenth and eleventh paragraphs under the heading "Underwriting."

13. Research Analyst Independence. The Partnership acknowledges that the Underwriters' research analysts and research departments are required to be independent from their respective investment banking divisions and are subject to certain regulations and internal policies, and that such Underwriters' research analysts may hold views and make statements or investment recommendations and/or publish research reports with respect to the Partnership and/or the offering that differ from the views of their respective investment banking divisions. The Partnership hereby waives and releases, to the fullest extent permitted by law, any claims that the Partnership may have against the Underwriters with respect to any conflict of interest that may arise from the fact that the views expressed by their independent research analysts and research departments may be different from or inconsistent with the views or advice communicated to the Partnership by such Underwriters' investment banking divisions. The Partnership acknowledges that each of the Underwriters is

a full service securities firm and as such from time to time, subject to applicable securities laws, may effect transactions for its own account or the account of its customers and hold long or short positions in debt or equity securities of the companies that may be the subject of the transactions contemplated by this Agreement.

14. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Partnership and the Underwriters, or any of them, with respect to the subject matter hereof.
15. Headings. The Section headings used herein are for convenience only and shall not affect the construction hereof.
16. Effective Date of Agreement. This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.
17. No Fiduciary Duty. The Partnership acknowledges and agrees that in connection with this offering and sale of the Units or any other services the Underwriters may be deemed to be providing hereunder, notwithstanding any preexisting relationship, advisory or otherwise, between the parties or any oral representations or assurances previously or subsequently made by the Underwriters: (i) no fiduciary or agency relationship between the Partnership and any other person, on the one hand, and the Underwriters, on the other hand, exists; (ii) the Underwriters are not acting as advisors, expert or otherwise, to the Partnership,

36

---

including, without limitation, with respect to the determination of the public offering price of the Units, and such relationship between the Partnership, on the one hand, and the Underwriters, on the other, is entirely and solely commercial, based on arms-length negotiations; (iii) any duties and obligations that the Underwriters may have to the Partnership shall be limited to those duties and obligations specifically stated herein; and (iv) the Underwriters and their respective affiliates may have interests that differ from those of the Partnership. The Partnership hereby waives any claims that it may have against the Underwriters with respect to any breach of fiduciary duty in connection with this offering.

18. Applicable Law; Counterparts. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York. This Agreement may be signed in various counterparts that together constitute one and the same instrument. If signed in counterparts, this Agreement shall not become effective unless at least one counterpart hereof shall have been executed and delivered on behalf of each party hereto.

The underwriters expect that the Series B Preferred Units will be delivered to purchasers in global form through the book-entry delivery system of The Depository Trust Company (“DTC”) for the accounts of its participants, including Euroclear Bank S.A./N.V., as operator of the Euroclear System (“Euroclear”), and Clearstream Banking, société anonyme (“Clearstream”) on or about October 10, 2017. Euroclear has advised us that it was created in 1968 to hold securities for its participants and to clear and settle transactions between Euroclear participants through simultaneous electronic book-entry delivery against payment, thereby eliminating the need for physical movement of certificates and any risk from lack of simultaneous transfers of securities and cash. Euroclear provides various

*Schedule II to Underwriting Agreement*

---

other services, including securities lending and borrowing, and interfaces with domestic markets in several countries. Euroclear is operated by Euroclear Bank S.A./N.V. under contract with Euroclear plc, a United Kingdom corporation. Euroclear participants include banks, including central banks, securities brokers and dealers and other professional financial intermediaries. Indirect access to Euroclear is also available to other firms that clear through or maintain a

custodial relationship with a Euroclear participant, either directly or indirectly. Purchases of Series B Preferred Units under the DTC system must be made by or through DTC participants, which will receive a credit for the Series B Preferred Units on DTC's records. The ownership interest of each actual purchaser of each Series B Preferred Unit ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series B Preferred Units are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series B Preferred Units, except in the event that use of the book-entry system for the Series B Preferred Units is discontinued. Interests held through Clearstream and Euroclear will be recorded on DTC's books as being held by the U.S. depository for each of Clearstream and Euroclear, which United States depositories will in turn hold interests on behalf of their participants' customers' securities accounts.

All information (including financial information) presented in the Preliminary Prospectus Supplement is deemed to have changed to the extent affected by the changes described herein.

This communication is intended for the sole use of the person to whom it is provided by the issuer. This communication does not constitute an offer to sell the units and is not soliciting an offer to buy the units in any jurisdiction where the offer or sale is not permitted.

It is expected that delivery of the units will be made to investors on or about October 10, 2017, which will be the third business day following the date hereof (such settlement being referred to as "T+3"). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the units on any date prior to two business days before delivery will be required to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the units who wish to trade the units on any date prior to two business days before delivery should consult their own advisors.

The issuer has filed a registration statement (including a base prospectus) and a prospectus supplement with the U.S. Securities and Exchange Commission (the "SEC") for the offering to which this communication relates. Before you invest, you should read the prospectus supplement for this offering, the issuer's prospectus in that registration statement and any other documents the issuer has filed with the SEC for more complete information about the issuer and this offering.
